

Help our students succeed in the valuable Carson High School - Western Nevada College Jump Start program!

◆ The Jump Start College program is a dual-enrollment opportunity for students at Carson High School. Students enroll in college courses through Western Nevada College while simultaneously earning high school credits. Jump Start College participants are able to complete up to 60 college credits through WNC.

Many students have actually earned their associate's degree before their high school graduation!

It's exciting to see achieving students--students who wish to accelerate their education as they prepare for a career--use the Jump Start program successfully. You can explore their comments and the program details at www.wnc.edu/jump-start/.

◆ The need for your support:

In past years a grant from the State of Nevada to Carson City School District supported tuition, books and materials for Jump Start students. Not surprisingly, grant reductions have affected the funding. The District can still afford tuition costs but the books and materials are now the responsibility of the student--a burden that could cause many of our best local students to pass up this program.

**About 125 students a year use the Jump Start program.
The average cost of books and materials is \$100.00 per student.**

◆ Will you help?

Your gift, administered by the Carson City Schools Foundation, will help our local Jump Start students "stay the course" for advanced learning and future career success.

◆ How can you donate?

Make a gift of \$100.00 to support one student; or support as many students as you or your company would like at \$100.00 each.

Special Matching Funds:

Your contribution generates more student support! The Carson City Schools Foundation arranged for contributions to be matched by an equal contribution up to the first \$6,250.00!

To give simply go to the Carson City Schools Foundation website: www.ccschoolsfoundation.org and scroll down to Jump Start program. Mail us a check at the address below.
