

Will You Help?

Consider supporting the Carson City Schools Foundation with an ongoing contribution via simple **Payroll Deduction**.

The Carson City Schools Foundation (CCSF) is a growing partner for our public schools. Directed by volunteers from the community and schools, the CCSF promotes monetary contributions to fund grants, projects and programs in the District. Last year the Foundation awarded \$49,000 in grants to support school programs at every level.

CCSF does not compete with PTSA's or other school activity support groups, but seeks support and donations from the community to expand education opportunities for our students.
